

SKI ASSOCIATION OF HONG KONG, CHINA
ANNUAL DINNER 27.08

2023

*Cortina 2026
Here We Come!*

CHAIRMAN'S SPEECH

Welcome everyone for joining this 2023 Fundraising Annual Dinner. This year's dinner is about raising funds for the HK Ski & Snowboard Team in its pursuits of participating in all upcoming Olympic Winter Games, with the next one in Cortina Italy in 2026.

In order to achieve our goal of attending the Olympic Winter Games and other major events, SA-HK organised trainings in major holidays namely Christmas, Chinese New Year, Easter and Summer. We sent teams to races all over the world including China, Bosnia, Slovenia, Serbia, Croatia, France, Italy and Argentina.

In upcoming season, SA-HK will launch its first ever Hong Kong National Ranking Championships in Asahikawa Hokkaido in Japan during our Christmas training there. We will send team to the 14th China National Winter Games 2024 held in Beijing and Inner Mongolia. We will organise our first ever Asian Alpine Championships (Junior) in Yabuli Heilongjiang China.

SA-HK has invited 2 freestyle coaches, both China national champions to formally setup the Hong Kong Ski & Snowboard Freestyle Team. We hope to have freestyle athletes in next Olympic Winter Games in 2026.

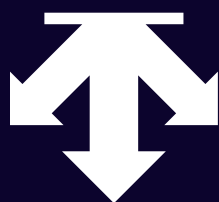

We would like to take this opportunity to thank all the sponsors for their continuous support of SA-HK. We would like to thank all athletes for their hard work in trainings and competitions. We thank all parents for their contributions and especially for their patience in supporting the young athletes of SA-HK in their pursuit of athletic excellence.

*Best wishes to our athletes and
Happy Skiing to all!!*

2023 SUMMER TRAINING HINTERTUX, AUSTRIA

SA-HK's annual summer training camp returned to Hintertux, Austria from June 21st to July 20th 2023. This year, snow conditions at the top of the glacier were much better than in 2022. The 4 weeks of training were intensive, but our team still managed to have fun. For 6 days a week, ski training commenced in the morning, followed by afternoon physical training, with the day ending doing maintenance and video analysis. Chairman Mr. Edmond Yue spent a week at base camp with the team, and gave multiple inspirational speeches. SA-HK also launched its 1st ever Coaching License Program during the training. 2 team members attended this weeklong program, under the supervision of a senior supervisor from ISIA. Chairman Mr. Edmond Yue is confident that SA-HK will get its ISIA membership soon.

2023 LA SCALA ALPINE SKI CHAMPIONSHIPS VAL D'ISERE FRANCE

The La Scara International Children Race is one of the major children races in our calendar and this year it was held in April 6 to 7 in Val d'Isere France. It's only 20 minutes drive from Tignes where we had the Easter Training. Lucas Chi Hao Wong and Eugene Roger Michel Cornu Wong attended the U16 events while John JingHan Li, Hayden Rhys Kao and Haley Hope Tang attended the U14 events. They all did quite well and gained so much experience from attending such an important children event in Europe. All members of our Easter training camp came to the final parade and enjoyed the festive atmosphere with other teams from all over the world.

2023 EASTER TRAINING TIGNES FRANCE

SA-HK Easter Training 2023 was held on April 1 - 15, 2023 in Tignes France. The weather and the slopes condition was perfect for training. All team members enjoyed the gates, dryland exercises, waxing and videos. Of course they also enjoyed the Easter holiday atmosphere there among loads of skiers from all over the world.

2023 DREAM PROGRAM SOUTH KOREA

This event was organised by the PyeongChang 2018 Legacy Foundation and was held in PyeongChang Korea. SA-HK Coach Branko Vasiljevic accompanied members of Hong Kong Ski & Snowboard Team namely Charlotte, Sidney and Caitlyn attended the event. Supported by HKOWG Fund.

31ST ASIAN ALPINE SKI CHAMPIONSHIPS (CHILDREN) SOUTH KOREA

The 31st Asian Children Alpine Ski Championship from 8-9 March 2023 was held in South Korea. 4 SA-HK athletes, Isabella Shin Yuan KAO, Sidney Sean IP, Eugene Roger Michel CORNU WONG and WU Hao Yang, from U16 division participated at the event. In the slalom event Eugene and Hao Yang came in 5th and 6th, respectively. In Giant Slalom event Hao Yang and Eugene came in 4th and 5th, respectively. Congratulations to our athletes for a great effort.

NORDIC SMILE LLLT 尊貴領導地位

NORDIC SMILE 矢志研發最優質的細胞修復產品，一系列產品乃針對人體抗衰老而特別研製，當中以最皇牌科技NORDIC SMILE LLLT細胞修復量子光機，並以最高品質標準於芬蘭生產；更通過嚴格測試，務求為顧客帶來最尖端先進，以及具卓越的抗衰老科技。品牌現於全球唯一能穿透皮下8cm的光療技術，穩佔殿堂級的尊貴領導地位。

諾貝爾技術基礎 修復細胞延緩衰老

NORDIC SMILE LLLT北歐量子光，是建基於諾貝爾的科研成果。在1896年，光療之父Dr. Finsen利用紅光治療了紅斑狼瘡的病人，利用紅光療法把潰瘍的皮膚變回平滑，而NORDIC SMILE LLLT 運用科學家DR. COCCO發明的量子光技術，這個技術獨特之處，是把近紅外光子相干性、方向性調到更精準，能量再放大，這種完美有序的相干性光，稱為量子光。

量子波譜相干性形成的一個個脈衝波，就是量子光能穿透人體深層組織的奧妙所在，而市面上光療產品種類繁多，其技術大多作用於表皮組織效果往往差強人意。

提高ATP 細胞能量水平

使用專利富勒烯石英鏡片的NORDIC SMILE LLLT運用量子光技術，照射出的光綫，保證了最佳組織穿透激活，並有著淨代血液功能，達到體內代謝。

量子光最主要兩大作用，刺激幹細胞和生長因子，讓細胞快速自我修復再生，提高ATP細胞能量水平，激活細胞的自愈能力。

量子光可以與人體99%的健康生物分子結合，在儀器發出的波長範圍裡，是柔和安全且沒有任何副作用的。任何時候都可以進行療程，不論任何年齡都適用，治療關節軟骨受損、防止進一步發炎，改善機能、提升關節活動能力，強化肌肉及預防復發，美白、抗皺、去印、刺激骨膠原及毛髮增生，消除疲勞、增強免疫力、燃燒脂肪、提升新陳代謝率，量子光能穿透穴位，融合中西技術，迅速去痛，改善卵子精子品質，提高生育能力。

2022 CHRISTMAS TRAINING JAHORINA BOSNIA & RADSTADT

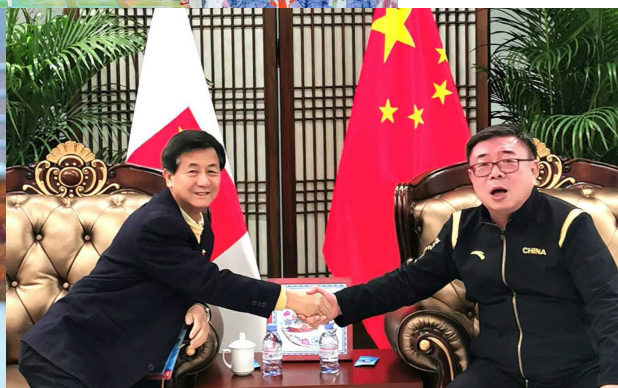

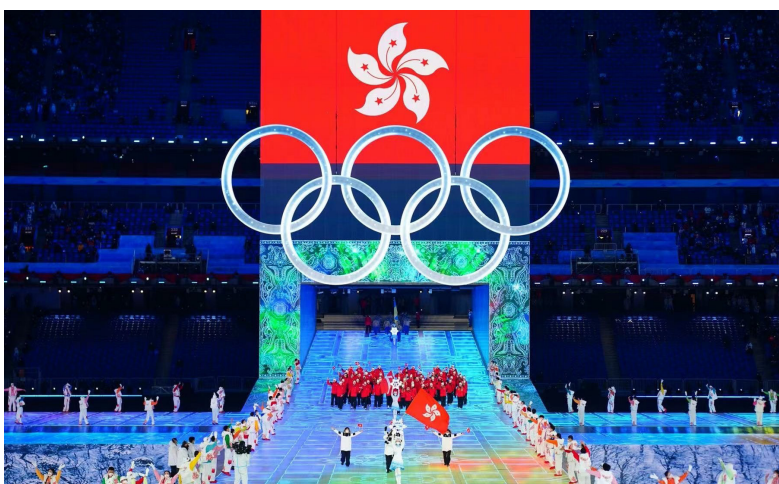

Another annual Christmas training event was originally intended to be held in Jahorina, Bosnia from 19th December to 5th January. However, due to lack of snow, the training was swiftly moved to Radstadt, Austria. General Assessment for new members of the Hong Kong Ski & Snowboard Team took place during this training period, and SA-HK welcomed 20+ new members. Overall, it was a successful trip.

2022 OLYMPIC WINTER GAMES BEIJING, CHINA

Audrey King, Adrian Yung together with chairman Mr. Edmond Yue, SA-HK Team leader formed the major part of the team for the Olympic Winter Games 2022 held in Beijing China. Such a proud moment for the Hong Kong people watching the opening of this well organised event held during the pandemic. As always, we are immensely proud of our SA-HK Team!
